You help families grow healthy and strong!

Through ALWS, you support people to **keep on growing**. Along with your banana farm, you empower people in Nepal with other ways to make a living, like tailoring and traditional weaving.

With your support, people make **their own decisions** about the development in their community. They take responsibility for the activities, and grow the confidence needed to become self-sufficient.

“When I reflect, I know I have come so far!

I am grateful for the support that has taught me so much and made my family financially self-sustainable.”

Jayaram Chaudhary, Nepal, who now has a successful Banana Farm, thanks to you!
